JEROME MACKEY, *Director*

TO WHOM IT MAY CONCERN:

This letter is written in behalf of Mr. Eugene Perceval, whom I have known for more than three years. He has been a conscientious, devoted and enthusiastic student in my schools and has proven himself a tremendous asset to my organization as well as to myself.

When I began teaching in Hempstead, he was the first to step forward to assist.

I have relied upon him heavily, and he has been always equal to the burden. I cannot recommend him too highly, both as a person and as a Judo instructor. His ability to handle a class of children is truly remarkable, and he is equally at home in a class of adults.

If the opportunity should arise, anyone would be wise to give him first preference as an instructor. He has also studied the arts of Aikido and Karate.

I can personally wish him only the best wherever he may be.

Sincerely yours,

Jerome Mackey
