AS REQUIRED by general law, you have certain rights to cancel this agreement.

- You may cancel this agreement without penalty of further obligation within three (3) working days from the date of this agreement.
- If you become disabled or injured during membership, and that disability is confirmed in writing by a physician, you have a right to an extension and/or termination of this contract.
- If you move your residence more than 25 miles from the facility, your membership may be cancelled with 30 days written notice in advance, in writing. Notice of any cancellation of contract must be sent certified mail to: 2912 Bayview, Avenue, Baldwin NY 11510.

After 3 working days, you are committed to the full amount due on this contract unless the above conditions of cancellation are met.

Each month is considered a "payment period." At commencement of this period, you are obligated to pay tuition for that month's period without any exceptions. If paying by credit card, you are required to sign a credit card authorization form so that we may automatically charge your account for monthly payments due at time of contract renewal, stated under "Renewal date" on membership agreement form. Agreements longer than one month require a down payment of at least one month's tuition which is non refundable. If a student wants to go on vacation, a "Student Vacation/Illness Interruption" form must be signed 30 days in advance. In the case of an illness, this same form is required but advance signing is **not** required, and a doctor's note is required. If a student becomes injured or disabled and can not attend class, they must fill out a "Student Membership - Injury/disabled Interruption" form, and a doctor's note is required.
